# Chelsea Majestic Player Booklet and Secret Clue

## How to Play the Game

This room is full of murder suspects – and you are one of them! You must try to figure out who the murderer is tonight, by both accusing your fellow players and also trying to convince everyone else that you are innocent.

This game has four rounds, each round revealing new pieces of information about each character. Do not turn the page in your player's booklet until the host tells you to do so.

On the top of each page is information you are to share with the whole group. You can either ad lib or read directly from the page, but make sure that before moving on to the next round, you share all information on the top of each page with the whole group.

On the bottom of the page, you will see hidden information about your character. Do not reveal this information until you think it is the appropriate time. You may not lie if someone asks you about this information, but you do not need to offer incriminating evidence about yourself without a direct question. However, if you find out that you are the murderer, **DO NOT TELL!** If asked about it, you should say, "I am not aware of that information at this time," or just lie if you have to. Likewise, if someone asks you a question you do not know the answer to, just say, "I am not aware of that information at this time." The murderer is the only one permitted to lie at any time in this game.

There are also 8 secret clues that different players will reveal throughout the night. Make sure you do not look at your clue until your player's booklet tells you to look at it and pass it around to the group. When that time comes, just detach it and pass it around. You may also use the next page to take notes throughout the evening.

At the start of the game, the killer is not aware of his or her identity – it could even be you! Be suspicious of everyone's motives, and remain in character throughout the evening. After dessert, you will be given a chance to make your accusation. You may accuse any player of being the killer, including yourself. However, you must give evidence from the clues, and again, **DO NOT TELL** if the booklet says you are the killer! Have fun!

**Share this information first, before all other players:**

Good evening, all. As most of you are probably aware, I am *the* Chelsea Majestic, daughter of the late Michael C. Majestic, the first to climb Mt. Booyakasha forty five years ago. If Daddy Majestic were here right now, he would be so terribly sad to hear that this tragedy has occurred on *his* mountain (we even had the name of the mountain offically changed to Mount Majestic though none of you seem to regard that). If he were here, he would be comforting me right now. I am all choked up just thinking about it. Oh, Daddy! (Fake sob.) And especially when he was so careful to teach me about every nook and cranny of this great mountain and exactly how to climb it. I truly believe I was the winner, having that inside edge. I hope whoever the murderer is realizes that you are stealing away my rightful family legacy by your selfish actions! Unlike all of you, I actually went to college and graduated from the upper crust schools in New England. I was born and bred for this moment, to use both my intelligence and my cunning. I am not one to let this go down easily! Don't worry, Daddy, I won't let you down, wherever you are! (Sob.)

**Hidden Information:  
(Do not share until you feel it's necessary.)**

Michael C. Majestic was my father, but we were not close at all. I was very jealous of his fame, especially since he never let me be part of his publicity. He was an arrogant male chauvinist. He never thought a mountain range was a place for a lady. The truth is, he never even spent time with me, as he was always too busy. He sent me off to school so he could have free time to climb and be adventurous.

# Soup/Salad

**Share this after Bailey accuses you:**

I am so very embarrassed about the way you have all started accusing me. It's all very uncouth and non-sequitar to accuse someone using such a flimsy and undignified piece of journalism, if you can even call it that. It's a measly tabloid, for crying out loud. And I am doing just fine financially, thank you very much. The Majestic Mansion will remain under my care. You can be very confident of that! You're all jealous of me! Plus, you, Bailey, of all people should know that tabloids rarely tell the truth. For example, should we believe every sleazy thing the tabloids have ever said about you?! Is that even a real mole on your lip?!

**Hidden Information:  
(Do not share until you feel it's necessary.)**

Richard I. Paris is my stepbrother!

I was very jealous of him because he got all of Daddy Majestic's attention, and then, to top it off, he was given the Majestic Mansion in the will. I fought it in court, but the judge recently postponed the case. Now that Richard's dead, even if my stepmother wins, she is so old, she'll be gone soon anyway! Then, Majestic Mansion will be all mine!

# Main Course

**Share this information with the group after Bailey Bourgenous:**

Not that I don't enjoy watching Bailey squirm, but I have something I've been saving up for a long time...a lot longer than tonight in some ways. I want to show all of you a newspaper article about our friend here, Mr. Bryan Steed. By the way Bailey, a newspaper is a more reliable source of information. This is from back when he knocked one of his fellow competitors off another time. Ooh! I am so glad I saved this piece of news for everyone, Bryan. I knew you were a rat from the minute I smelled your gym shorts. Uh, I mean, I smelled a rat the first time I saw you.

(Detach your clue, read it aloud, then pass it around.)

**Hidden Information:**

**(Do not share until you feel it's necessary.)**

I am very broke right now from my lawsuits. In reality I am desperate for money and actually got my outfit at a secondhand shop. I have no job or family and I frankly don't have any desire for either. As long as I can have ritz, glam and others wait on me hand and foot, then I'm doing well and that's going to be happening very soon.

# Dessert

**Share this information with the group after Bailey Bourgenous:**

I am just glad this evening is finally coming to an end. I am dying to get out of this horrendous outfit and get back to the mansion for a bubble bath, while it's still *all mine*. I hope that all of you can finally see that I am not a woman to be toyed with. How can you not see that I have very little reason to want to kill anyone, regardless of my ties with them? I am no killer, people! I am rich, I am refined, I am classy, I am MAJESTIC! And know this, that I won't forget a single word that was spoken tonight. You just might see it come back to haunt you someday, even if it is many years from now. Right, Mr. Steed? (Give a snide smirk and evil laugh. Great job tonight!)

# Dessert

**Hidden Information:  
(Do not share until you feel it's necessary.)**

I am extremely upset about Mr. Steed being here and acting so cool and collected especially when he humiliated me, by rejecting me, the Chelsea Majestic, at the gala the evening the article was written. I had followed his athletic progression and had a secret crush on him for years, but then when I made a pass, he laughed in my face and said some very nasty things! I wanted revenge and I am so glad I got it!

# Solve the Mystery

Take a few moments to think through the following questions and decide for yourself who committed the murder. There are a lot of crooked characters here, but only one is a murderer!

**Motive:**

Who would most want to kill this man? Why?

**Weapon:**

Who would have had the means to do so?

**Overall Evidence:**

Whom does the evidence point to most strongly?

I, Chelsea Majestic, believe

---

committed the murder of  
R. I. P.

## Olympic Finalist Dies Without Win

Olympic finalist, Thomas Chelthan, from Hedgeway, VT died in a catadysmic and catastrophic accident just three days before the final mountain climbing event of the Winter Olympics. Supposedly, Chelthan was taking a walk the evening after the Olympics Gala at the nearby Fairmont Hotel when he was run over and killed instantly by an unidentified car without license plates, presumably a drunk driver, at 11:36PM. Chelthan Thomas was expected to get the gold or at the very least the silver medal at the Olympics this year. Fellow American teammates Richard I. Paris and Bryan Steed were saddened to hear of the news. Said Steed, "He was a beloved friend and an inspiring athlete. I never saw such a hard-working and honest guy in my life. I am sad at this senseless loss. Now let us move on and get over this so that we may go on in victory to bring home the gold!" [page 6C]
